

**STATEMENT OF INTEREST REQUEST FOR ENGINEERING SERVICES  
ROCK ISLAND COUNTY  
CH 63  
Section No. 23-00395-00-RS**

**Overview:**

The Rock Island County Highway Department is in need of Phase I & Phase II engineering services, with an option for Phase III, for the reconstruction of County Highway 63 from Knoxville Road to the Rock Island/Mercer County line, 3.05 miles. The scope of this work is expected to include the reconstruction of the existing pavement, safety improvements, ditch grading, drainage structures, guardrail, and intersection improvements.

**Consultant Scope of Services:**

Phase I & II preliminary engineering services are needed for all necessary work to prepare the plans, specifications and estimates (PS&E) package. Specific tasks include, but are not limited to:

- Data collection and survey
  - Pavement/subgrade coring completed in 2023 will be provided
  - Profile and cross section survey data from 2023 will be provided
- Environmental studies coordination
- Local Coordination
- Prepare all IDOT forms and reports, including the PDR
- Prepare contract plans and project special provisions/specifications
- Prepare estimate of cost and time
- Right of Way acquisition including Highway Plats and Legals, if necessary

The construction cost for this project is estimated to be \$2,000,000. Phase I & II engineering are expected to be completed for a spring 2025 State letting.

Phase III, Construction Inspection, shall be included as an option.

**Project Parameters:**

- Preliminary Engineering will be funded with State MFT funds
- The prime must be IDOT prequalified in the following categories:
  - Highways - Typical
- Construction will be funded with Federal State Transportation funds and State MFT funds
- Spring 2025 State Letting

**Statements of Interest (SOI) Requirements:**

- SOI's shall be limited to not more than two (8 ½ X 11) pages and include, at a minimum, the following information:
  1. Name of firm with address and contact information
  2. Contact person for the firm

3. Statement indicating firm's interest in the project
4. Summary of projects similar in scope & magnitude recently completed by the firm
5. List of proposed key staff who would be assigned to the project
6. List of proposed sub consultants.

**Statements of Interest are due by September 01, 2023 by 3:00 PM and may either be mailed to:**

Rock Island County Engineer  
851 W. 10<sup>th</sup> Ave (P.O. Box 797)  
Milan, IL. 61264

**or sent via email to:** [Highway@rockislandcountyil.gov](mailto:Highway@rockislandcountyil.gov)

**Selection Process:**

The selection of the Consultant will be made in compliance with the County's most current "Rock Island County Highway Department Qualification Based Selection Procedure – Non-Federal Participation" which is posted on the County's website, [rockislandcounty.org](http://rockislandcounty.org)

**Shortlisted firms will be notified by mid/late September 2023. A statement of qualifications will be requested from each shortlisted firm.**
