Re: Supervising Judge of Probate

Effective June 10, 2025, I will succeed Judge Thompson as Supervising Judge of Probate.

Attached please find copies of the standing probate orders I've entered. They are the same as Judge Thompson's standing orders with the exception that I will conduct daily walk-in for my civil and probate cases in Courtroom 402 from 9:00 a.m. to 9:30 a.m.

Petitions for temporary guardianships for disabled adults will continue to be scheduled through Court Administration and heard at 8:45 a.m. If the temporary guardianship hearing is expected to exceed 15 minutes, then it should be set through Court Administration in the same manner as any other Civil Division case.
